

## Social Work Department

*A personalized program of care*

Our Social Work staff will design an individual plan of care for you at time of admission. This caring and professional staff will work with you and your loved ones to coordinate a safe discharge from our facility. Our social work staff is available to:

- Answer any questions that arise during your stay
- Complete advanced directives
- Offer educational and emotional support to help the patient and his/her family through on-going changes while at the facility
- Coordinate any community resource referrals, answer any insurance questions

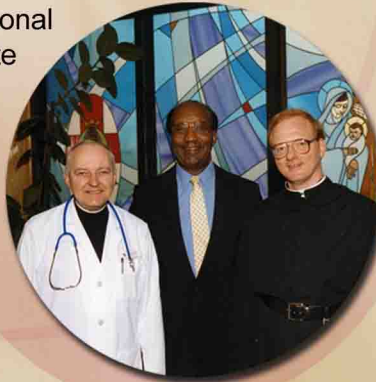

**Tours are available** by appointment Monday-Saturday by contacting our Admissions staff at 716-759-7629.

Dedicated to the care of others, Brothers of Mercy prohibits discrimination in any form on the basis of race, creed, religion, age, blindness, sex, sexual preference, national origin, disability, marital status, sponsorship, or source of payment, in admission, retention, and care of residents.

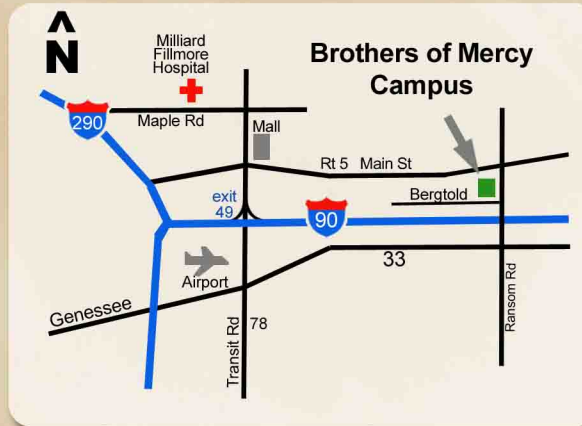

## Ready to Help

We welcome your inquiries and invite you to visit our center to see for yourself why Brothers of Mercy Rehabilitation Center is the regional leader in sub-acute rehabilitation services.

### Meeting the community's needs

The Brothers of Mercy Rehabilitation Center is part of a special continuum of care. Available on a picturesque campus located in Clarence, NY. Located just minutes from the Eastern Hills Mall and the Buffalo Niagara International Airport.

## A team of experienced professionals

The Brothers of Mercy Rehabilitation Center is uniquely structured around a team of professionals who provide the best possible sub-acute rehabilitation care. The team includes:

- Medical director
- Associate physicians
- Nurse practitioners
- Rehabilitative nurses
- Full-time, in-house physical, occupational and speech therapists
- Full-time dietitian
- Case managers/social workers
- Dental, podiatry, ophthalmology and audiology services
- Activities specialists

## A full range of services

We offer comprehensive services and support to guide patients through their rehabilitation and make their experience from pre-admission to discharge as smooth as possible and includes:

- Admission and Discharge planning
- In-house chapel supporting many faiths
- On-site beauty/barber shop
- Extensive activities program
- Family support services
- In-house cafeteria for visitors

## Sub-Acute Rehabilitation Excellence and Experience

Our Rehabilitation Team is comprised of experienced and dedicated **Physical Therapist, Occupational Therapist and Speech Therapist.**

Our therapy professionals provide individualized care while:

- Optimizing physical recovery and movement
- Enhancing daily living skills such as bathing, dressing and homemaking
- Addressing difficulties in swallowing, speaking and understanding
- Providing discharge planning that includes: family training, education, and equipment recommendations for developing individualized exercise program tailored to our patients needs

## Homeward Bound Program

Together our therapy programs customize care to the specific needs of individuals who have experienced such traumas as stroke, amputation, knee or hip replacement, fractures, or medical conditions.

Together, we help our patients reach for the ultimate **goal of returning home.** Our program ensures that our rehab patients return home quickly, safely and with confidence.

“ultimate goal is returning home”
